Property Owners Help Save River

Willard Bosserman
Extension Natural
Resource Agent

It may mean to imply that property owners are the only cause of the problems on the river, but often times they are not. It is to point out some of the things that property owners can do to help save the river.

Property operators recognize that their customers are not only looking for a good time, but also for a clean environment. They assume the responsibility of "policing up" the river. The things that cause the river to be polluted are the things that property owners can do to help save the river.

Most people do not know that they are causing the river to be polluted. They assume that the river is clean and that they are not causing any harm. They assume that the river is clean and that they are not causing any harm.

Programs of Scout advancement are provided in addition to training in canoeing, swimming, archery and rifle shooting and safety. The boys are given an opportunity under district scout leadership to work towards their next step in advancement.

SHERIFF'S DEPT. REPORT

Activities for the Sheriff's Department from Aug. 8-14 were reported by Sheriff Arthur Clough as follows:

Gave assistance at four fires — One oil truck on I-75; one forest fire, Goose Creek area; Fire in Karen Woods and Robert F. Bunker's cottage near Blonde Dam in Lovells Twp.

Investigated two P.D. accidents; two B & E's; one abandoned car (cleared).

Had four ambulance runs. Delivered 6 emergency messages. Two littering complaints. One larceny complaint of wagon wheels, used as driveway markers. Five walkaways. Camp La-Victoire.

Also assisted six motorists, made 32 property inspections, approximately 1,000 miles of patrolling on county roads, answered numerous minor complaints, issued 42 drivers licenses.

The Marine division patrolled Lake Margrethe, Jones Lake, Shupac Lake, K.P. Lake, Main Stream and South Branch of the AuSable. Reported 28 boat inspections, 10 litter complaints, 9 negligent operations of boats. Numerous complaints of varying nature were also acted upon.

If maximum effectiveness in law enforcement is to be obtained, all as aware citizens should notify the Sheriff's office of any illegal acts noted. Sheriff Clough states that law enforcement is severely handicapped without thorough cooperation of all its citizens.

Kirtland College Site Selected

The Board of Trustees was virtually assured by the State of Michigan of the site for Kirtland Community College. In a letter, received from J. D. Stephansky, Chief of the Lands Division, Department of Conservation, the price of \$15,200 was established by the State after careful appraisal. Kirtland Community College will be able to acquire the 160 acres at this price by purchasing other lands that the State wishes to obtain in trading properties.

The cooperation exhibited by the Conservation Department and the State of Michigan on this matter has been extremely cordial and has greatly assisted the Board of the College in locating a site that will be within easy commuting distance of the potential students of the college.

The site will be located on the northeast quarter, Section 10 of AuSable Township, on County Road 600 and the Road leading into the Roscommon Red Pine Natural Area Preserve.

Another fire was reported August 14, at 11:30 in the Lovells area. The Robert Bunker cabin was afire, burning some land surrounding it. Cause of fire unknown. Norman Kammer reported the fire to the Grayling Sheriff's Department.

The Grayling Fire Department was called to extinguish a blaze Friday at 10:10 a.m. on the Old Lake Road in a shanty at the Anna Scott property, cause unknown. Department officials estimated damage at around \$50.

With Thompson on the mound the Military blined the Moose on a nifty 4-hitter, 3 to 2. It looked like a sweep in the second game with Military leading 7 to 0 going into the fifth, when the Moose stormed over the field. When the dust cleared the Moose had scored 9 runs to win 9 to 7. Military is a team to watch in future years, being mostly 9 and 10 year-olds.

Sorenson slugs continue to dominate the league, blasting the Legion 6 to 3 in a come-from-behind game, proving again this game is never over until the last man is buried. The final game in a tight duel Sorensons came home victorious 3 to 1.

There are many area boys between 12 and 15 who have left Little League action and are biting their nails to play ball again. Do we hear talk about a Pony League next year?

Crawford County Recreational Activities

This is the time of year to enjoy the miles of canoeing trails in Crawford County. The Main Stream AuSable, South Branch, North Branch, and Upper Manistee River are normal, clear, and clean. Insects are at a minimum, and daytime canoeists and canoeing campers can enjoy the hours or days of using this prime recreational activity. Patient early morning or evening canoeists can have a front row seat to observe the wildlife and birdlife that abounds along the banks of our canoeing trails.

Trout fishing on the AuSable Main Stream is still good. Mid-morning hatches of "Duns" (small 18 size) from 9:00 a.m. till noon are on. Grasshoppers during the afternoon are the flies to use, and small yellow stone flies in the evening will take fish. Upper Manistee River is good for bait fishing from M-72 Bridge to County Road 612 Bridge.

Pan fishermen are taking nice fish on Lake Margrethe, KP Lake, Shupac Lake, and the string of lakes bordering the AuSable East Branch in northern portion of the county.

All campgrounds in Crawford County are open and campers have excellent choices of sites ranging from Hartwick Pines State Park to primitive campgrounds in the forests and along the banks of the many rivers making up the AuSable Watershed. The Chamber of Commerce has excellent free maps for the location of camp sites.

PART OF OHIO'S 37th AIRLIFTED HOME FRIDAY

CAMP GRAYLING — The first multi-unit airlift in the 50 year history of Ohio's 37th Infantry Division accented two-weeks of summer field training in which the emphasis was on riot control and readiness.

At the very outset, after announcing that he had ordered an additional four hours of training here in riot control technique, Maj. Gen. Wilbur Fricke, Waynesville, division commander, said that the emphasis still was on small unit combat training.

It became clearer and clearer as the 50th Anniversary encampment progressed, however, that the emphasis among the division leaders was on riot control and trying to push for continuance of the division.

On the last day of camp, Col. Vernon McMillen, Columbus, division chief of staff, said, "As far as we know today, there will be a 37th indefinitely in the future."

"We will prepare for it, and continue to plan on it. Be prepared, be ready. We have a lot of training to do at the armories."

General Fricke said that the training period was "possibly the best we have had in the past two or three years."

"The attitude," he noted, "was the best I have ever seen." The division's 79 units from around Ohio received a total of 70 overall "excellent" ratings and nine "superiors" from the 22 regular army evaluators who graded virtually every phase of training.

Frank Hebel of West Branch ended the reign of Ron Case of Grayling Aug. 7 as "King of the Hill" in the weekly bowling matches held on Monday nights at Cherven Lanes in Roscommon. Frank put on one of the best bowling exhibitions ever seen on the Roscommon Lanes as he blasted games of 224-253-215 for a nifty 692 actual on his way into the finals. A split in the 10th frame by Case enabled Hebel to win the final match as he rolled a 187 game to finish the four games with a 220 average. The final game was 209-199 including handicap and Hebel will be back next Monday to defend his newly earned title. Last week the low score to qualify was a 561 series including handicap. The King of the Hill matches are now in their 16th consecutive week and out-of-town bowlers have dominated as on only three of the 15 weeks have Roscommon bowlers been on top. Winners to date have been Donaldson and Ingleson of Roscommon, Tye of Houghton Lake, Case and Canfield of Grayling, McGee of Mio and now Hebel of West Branch.

LILL-KNIGHT WED JULY 29TH

Miss Jo Stephanie Lill, daughter of Mr. and Mrs. Greg Lill of 1013 Golf Lane, Wheaton, Illinois, and Robert Bruce Knight, son of Mr. and Mrs. William T. Knight of K.P. Lake, Crawford County, Michigan, were united in marriage on Saturday, July 29, 1967 at the Gary Memorial Methodist Church in Wheaton. The one-thirty ceremony was performed by the Reverend Paul E. Lowley in a garden setting of palms and ivy, with two large baskets of white gladioli, snapdragons and yellow daisies matching the horizontal altar-piece. Four candelabra completed the setting.

Organist was family friend Mrs. Samuel Bloomquist, accompanying soloist Miss Shelley Williams of Crosswell, Michigan, Alpha Phi sister of the bride, who sang "The Lord's Prayer." A full-length gown of silk organza over taffeta with dropped full short sleeves and high-rise Empire waist topped the bride's A-line skirt with wide hemline border of Alencon lace styled with detachable train. Her head-dress was a creation of simple bows of double layers of tulle, holding in place her shoulder-length veil. She carried a bouquet of greens of caladium leaves, white anemone fern, and trailing ivy centered with a single huge white gladioli.

Attending the bride was her sister, Miss Cynthia Lill as maid of honor, and Miss Kristi Venhuizen of Holland, Michigan, also an Alpha Phi sister. Their gowns were fashioned with Empire waistlines, of pale gold crepe, with floor-length sheath skirts, sleeveless gold brocade bodices and matching panel trains. Their bouquets were of white anemone fern, ivy, variegated geranium, centered by a flower fashioned of hosta leaves.

For her daughter's wedding Mrs. Lill chose a blue crepe and-chiffon sheath dress. Mrs. Knight wore a blue and white printed voile. Both mothers wore corsages of white fugi mums.

Robert Calland of Mansfield, Ohio was best man, with William Mathews of Muskegon, Michigan seating the guests.

Robed acolytes beginning the wedding ceremony were the bride's brother, John Lill of Wheaton and her cousin Robert Lill of Okemos, Michigan.

A reception for the happy couple was held at the Indian Lake Country Club in Bloomingdale, Illinois, immediately following the marriage. In charge of the guest book was Miss Coralie Rysberg of San Francisco, Calif. Mr. and Mrs. Knight spent their honeymoon fishing in the Canadian wilds at the favorite hunting lodge of the groom. For the start of their northern trip Mrs. Knight chose a two-piece silk shantung suit in daffodil yellow, with matching wide-brimmed straw hat. Her shoulder bag and shoes were avocado green. A corsage of white daisies completed her costume. The couple will be at home in Kalkaska, Michigan, where the bride will be teaching history, current events and social science. She is a June graduate of Michigan State University and a 1963 graduate of East Lansing High School. Her husband will be a student at Northwestern Michigan College, Traverse City, this fall. He is majoring in Business Administration, after completing two years in Viet Nam as a helicopter gunner. He has a position as ski instructor at Sugar Loaf Mountain for the winter term. He is a graduate of Mansfield, Ohio, High School, and has attended Purdue University.

BITS O' TALK

Mr. and Mrs. Charles Burns of Bay City were recent visitors at the Clement Blaine home.

Mrs. Bertha Peterson and guest, Mrs. J. R. Johnson of Coldwater, Fla. left Sunday to spend two weeks at the home of one of the latter's children in East Lansing while the family is taking a vacation.

Frank Hebel of West Branch ended the reign of Ron Case of Grayling Aug. 7 as "King of the Hill" in the weekly bowling matches held on Monday nights at Cherven Lanes in Roscommon. Frank put on one of the best bowling exhibitions ever seen on the Roscommon Lanes as he blasted games of 224-253-215 for a nifty 692 actual on his way into the finals. A split in the 10th frame by Case enabled Hebel to win the final match as he rolled a 187 game to finish the four games with a 220 average. The final game was 209-199 including handicap and Hebel will be back next Monday to defend his newly earned title. Last week the low score to qualify was a 561 series including handicap. The King of the Hill matches are now in their 16th consecutive week and out-of-town bowlers have dominated as on only three of the 15 weeks have Roscommon bowlers been on top. Winners to date have been Donaldson and Ingleson of Roscommon, Tyo of Houghton Lake, Case and Canfield of Grayling, McGee of Mio and now Hebel of West Branch.

Summer Sales at Tip Top Togs ends Saturday, August 19th.

Mr. and Mrs. Lacey Stephan Sr. were in Marquette to visit the Lacey Stephens Jr., weekend before last. Lacey Jr. was one of the representatives of the Mathematics Department of Northern Michigan University in the summer commencement exercises at Hedgecock Gym that weekend.

Miss Stephanie Lill, daughter of Mr. and Mrs. Greg Lill of 1013 Golf Lane, Wheaton, Illinois, and Robert Bruce Knight, son of Mr. and Mrs. William T. Knight of K.P. Lake, Crawford County, Michigan, were united in marriage on Saturday, July 29, 1967 at the Gary Memorial Methodist Church in Wheaton.

The one-thirty ceremony was performed by the Reverend Paul E. Lowley in a garden setting of palms and ivy, with two large baskets of white gladioli, snapdragons and yellow daisies matching the horizontal altar-piece. Four candelabra completed the setting.

Organist was family friend Mrs. Samuel Bloomquist, accompanying soloist Miss Shelley Williams of Crosswell, Michigan, Alpha Phi sister of the bride, who sang "The Lord's Prayer."

A full-length gown of silk organza over taffeta with dropped full short sleeves and high-rise Empire waist topped the bride's A-line skirt with wide hemline border of Alencon lace styled with detachable train. Her head-dress was a creation of simple bows of double-layers of tulle, holding in place her shoulder-length veil. She carried a bouquet of green caladium leaves, white gladioli, snapdragons and trailing ivy centered with a single white gladioli.

Attending the bride was her sister, Miss Cynthia Lill as maid of honor, and Miss Kristi Venhuizen of Holland, Michigan, also an Alpha Phi sister. Their gowns were fashioned with Empire waistlines, of pale gold crepe, with floor-length sheath skirts, sleeveless gold brocade bodices and matching panel trains. Their bouquets were of white gladioli, snapdragons and trailing ivy centered with a single white gladioli.

For her daughter's wedding Mrs. Lill chose a blue crepe and chiffon sheath dress. Mrs. Knight wore a blue and white printed voile. Both mothers wore corsages of white gladioli.

Robert Calland of Mansfield, Ohio was best man, with William Mathews of Muskegon, Michigan seating the guests.

Robed acolytes beginning the wedding ceremony were the bride's brother, John Lill of Wheaton and her cousin Robert Lill of Okemos, Michigan.

A reception for the happy couple was held at the Indian Lake Country Club in Bloomington, Illinois, immediately following the marriage. In charge of the guest book was Miss Coralie Rysberg of San Francisco, Calif.

Mr. and Mrs. Knight spent their honeymoon fishing in the Canadian wilds at the favorite hunting lodge of the groom. For the start of their northern trip Mrs. Knight chose a two-piece silk shantung suit in daffodil yellow, with matching wide-brim-

Will Toward All

Jews of China's development of a hydrogen brings home with renewed urgency the need of developing international relationships that eventually preclude the final extremity of war. An important event in the cause of internationality took place this summer in the United States when 15,000 Boy Scouts from nearly 100 countries gathered to observe the Twelfth Boy Scouts of America World Jamboree. This year's jamboree was held for the first time in the United States at Farragut State Park in Idaho, August 1-9. Scouting knows no boundaries of class, creed, race, Statesmen, businessmen, eminent members of professions and sciences are among those who are proud of their scouting background. One of these is a businessman and president of a large oil company, in speaking to a Scout Council in the Chicago area, said: "There are certain qualities in that are essential. . . integrity, the capacity for sacrifice, character, initiative, self-reliance, sense of purpose. These are the qualities that have striven to develop, and these are the qualities that our changing youth is striving, in its way, to achieve."

It is our hope that the Scouts at their Jamboree in Idaho have chalked up another step forward in the cause of international peace and understanding.

August 17, 1944

The Grayling home of Mr. and Mrs. Jack Callahan was destroyed by fire Sunday afternoon together with most of its contents. The Callahans, who reside in Pinconning, had come to Grayling for the weekend and left about 11 o'clock Sunday forenoon on a canoe and fishing trip on the AuSable. Planning to have a steam bath when they returned from their trip, they left the furnace burning, which is believed to have caused the fire because of a defect in it. About 2:30 smoke was discovered coming through the roof by neighbors and the fire department was called, however, the fire had gained such headway that the building could not be saved. The firemen did a good job in preventing any spread of fire as everything is dry as tinder. This property was formerly known as the Finnish Hall, but after purchasing it Mr. Callahan had gradually made improvements to it and of late some extensive ones, so that it was one of the nicest homes on the south side. A beautiful new fireplace was completed a couple of weeks ago by Einer Tahvonen. Not until they arrived at their destination down river did the Callahans learn of their misfortune. The loss that is estimated at about \$3,000 was covered by insurance.

V. F. W. POST 3736

To all comrades who have belonged to the V.F.W. in the past and all comrades who are presently in the V.F.W. This post is starting their 1958 drive for dues. We would like this Post to reach 100 percent by the first of December, if possible. We would like to receive a nice plaque also.

Let us all try to get our dues in and also we would like to see all the present members sign up at least one new member.

We are still interested in a building on some land close to town that we can afford, so that we can get a few things going. If anyone has any good ideas, we would like to hear them.

There is a program slated for Grayling, and we would like to see what we can do on this. There will be some revenue for the Post from this affair. So fellow Comrades, what do you say about coming up to the next meeting and help plan this affair?

Our next meeting will be September 13th at 8 p.m. in the American Legion Building.

Let us show GO and be 100 percent this year.

Toyman Brings Wholesale

Facilities to North

"Harder the Toyman" formerly of Lansing, Michigan, a veteran of 28 years experience in wholesaling toys is inviting all Northern Michigan Retailers to the opening of his new permanent sample rooms at the village of Bay Shore, between Petoskey and Charlevoix, Sunday August 20, between 1 and 5 p.m.

The open house, at which light refreshments will be served, is intended to acquaint all retailers in up-state Michigan with the profit opportunities in the booming toy industry.

On display in the sample room, located at the east edge of the village limits, on Old

US-31, retailers will find toys imported from all over the world, exhibited in such fashion that they can handle them, inspect them and test them.

Adjacent to the sample room is a large warehouse where retailers may take immediate delivery of their purchases. This, according to Harder, was one of the reasons he had established the region's only wholesale outlet in the north.

Harder plans to use the slogan "It's Christmas all the time at Bay Shore."

"Because of the region's year around resort economy, toys are always being pur-

chased in northern Michigan's drug stores, grocery stores, hardware and variety stores, and gift shops," he explains.

Harder said extensive surveys of the changing economy of this region indicated the establishment of a complete toy wholesaling facility.

To give area merchants better service, he has transferred his warehousing facility to Bay Shore.

He and Mrs. Harder extend a hearty welcome to all retailers to attend their get-acquainted open house, Sunday, August 20, 1 to 5 p.m.

HOUGHTON LAKE — The 380-mile Ohio-to-See Freeway will be brought up to full freeway standards when this and five other grade separations and interchanges near here are completed this fall. The State Highway Commission reports the present 65-55 MPH speed limit on a 31-mile section of US-27 from the Clara-Roscommon County line north will be raised to 70 MPH at that time. The final section of the Ohio-to-See Freeway was opened to traffic in 1963 but grade-level crossings remained between Clara and Grayling.

Attend Homemakers Conference at MSU

The 40th Annual Homemakers Conference (College Week for Women) was held at Michigan State University July 25 through 28 with 840 women in attendance.

This conference is designed to provide homemakers with knowledge that will improve the quality of living in the home, the community and the world. This year's theme was Michigan, Yesterday and Today.

Six members from the Lovells Home Extension Study Group attended this year. They were Mrs. Evelyn Bates, Mrs. Harold Johnson, Mrs. Fred Koernke, Mrs. William Koernke, Mrs. Ray DuBy and Mrs. Ernest Norenberg. Some of the classes attended by

the group were: History of Michigan, Clues for Clothing Consumers, Music of Early Michigan, One-Day Trips in Michigan, The Changing World of the Consumer and Michigan-Bird-Life. One of the interesting features on the MSU Museum is a one-room trading post built from materials over 100 years old. The hand-hewn logs and wooden pegs date from the 1840's. This cabin was originally on Grand Island in Lake Superior near Munising. On Thursday evening, a chicken barbecue was held on the banks of the Red Cedar River. Following dinner, a pageant entitled "Michigan Yesterday" was held at the auditorium. Numer-

ous historical costumes were worn. Developers and participants were women of Michigan. Crawford County was depicted working on a quilt. Mrs. Claude Sloan of Grayling was one of the quilters.

This was one of the best references they have held.

Attend The Church Of Your Choice

THE JOY OF LIVING

Copyright 1967 Ketter Advertising Service, Inc., Strasburg, Va.

THE CHURCH FOR ALL
ALL FOR THE CHURCH.
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Ever notice how some people associate the joy of living with moments of care-free relaxation, while others seem to find equal happiness in both work and leisure?

Which seems most natural? Was man created with the capacity for finding happiness in his spare time only or was he endowed with a genius for reaping joy from both work and play?

Before anyone surrenders to the cynicism of the first theory, he owes it to himself, his neighbors and his God to give the second a real try.

For centuries the Church has been helping men to discover the deep and lasting joy of purposeful living. When your life has a purpose, linked to the Purpose of God... then every day reveals anew the joy of living!

STATE 4-H SHOW, AUG. 22-23

Michigan's top statewide 4-H
event, the 52nd annual State 4-H
Show, will take place August
22-23 on the campus of Michigan
State University.

More than 3,000 4-H'ers re-
presenting every Michigan coun-
ty will participate in many dif-
ferent educational events, and
get a touch of college life.

The State 4-H Show was trans-
ferred to the Michigan State
campus during World War II
when the Michigan State Fair
was suspended. Since that time
the club members have staged
their own program at E. Lansing.
Those members who at-
tend represent the 86,000 Michi-
gan 4-H'ers. They'll give "ac-
tion" exhibits, go on tours, and

Sorry About That!

Our apologies are offered to the Legion Auxiliary ladies, particularly those whose names were omitted from the report of the installation ceremonies. The following paragraph was left out in error:

"The Auxiliary ladies were installed by Past 10th District President Beryl Moore, assisted by Phyllis Scheer as Sgt. at Arms and Past District President Mary Jorgenson as Chaplain."

Our apologies also go to the SanCartier family, whose news item we scrambled in telling of the birth of Penny Lynn, July 25th, to Mr. and Mrs. Frank Kitcho (Karen SanCartier) of Gaylord. Penny's grandparents are Mr. and Mrs. Floyd SanCartier of Grayling and the Peter Kitcho of Breckenridge, Michigan.

Apologies too to Bob Luter, who assisted with the loading and unloading of equipment at the Bloodmobile, and whose name was omitted.
